

The Rap of Circle of Sisters

*By Sierra Manning and Friends
Wright Charter School*

1 = Everyone

This is a rap that we like to call,
Respect your sisters,
And respect them all.

2 = Everyone

Circle of Sisters is a very safe place,
We have many friends of a different race.

3 =

We listen to the radio,
Sing our songs,
It's really great, cause we get along.

4 =

We don't do bullying,
It's just not cool,
So don't even try to bring it to school.

5 =

The girls of the circle,
We have a blast,
We party on and we got each others backs.

6 =

No put downs,
We be respectful,
Even if the person is being dreadful.

7 =

We don't judge people by their looks
Cause you never really know they could be great cooks.

8 =

Chilling with our peeps is what we do,
We have great fun,
Just like you.

9 =

We're not here to cry,
And we're not here to chatter,
We're here to talk about the things that matter.

10 = Everyone

We hoped you enjoyed it,
We hoped you liked it,
But I guess right now,
We've got to wrap it.
