

Rap #2 of Circle of Sisters

*By Sierra Manning and Brianna Sifuentes
Wright Charter School*

This is a rap that we'd like to show,
It tells you what to do and how to say **No**.

You know when people try to pressure you down?
Just say stop and give em a frown.

Alcohol, drugs, cigarettes and things,
Will not bring the good, It will bring you bad dreams.

When you're stuck in a situation that you don't like,
Just say no and say, **Take a hike!**

Bullying, we all know that it's not right,
So don't even try it, it will just start a fight.

I know this was short, and you didn't learn much,
But I'm lookin at the time, and it seems I got brunch.

Bye!
